

The following section(s) must be completed for your application (s) to be processed:

- Sections “A B & D” adding all required information. Complete addresses, telephone numbers and email addresses are required to process the application.
- Mark with an “X” the location of the groundwater withdrawal point (well) or surface water withdrawal point. Please outline the acres irrigated on a Farm Service Agency map or equivalent.
- Return the application(s) and map to YMD along with check or money order in the amount of ten dollars (\$10.00) per application.
- Application, conservation practice sheet and acknowledgment form must be **completed and signed**. There are three signatures required to complete this application packet

If you have any questions contact YMD at (662) 686-7712 or email dillard@ymd.org.
